# Meet Our Team

## DIRECTOR

As the Director, Mr. Samarth Khanna oversees the strategic vision and growth of the school. With a doctorate in law from the prestigious Columbia University in New York, he brings a unique blend of academic excellence, global perspective, and expertise to his role. His background in law and education allows him to approach school leadership with an unparalleled focus on governance and innovation. His forward-thinking leadership and passion for education are instrumental in guiding the school toward new heights of excellence. With his visionary outlook, Mr. Khanna has also spearheaded significant advancements in infrastructure, technology integration, and global partnerships. These efforts ensure that The Montessori School remains at the forefront of educational excellence.

Mr. Samarth Khanna

## CHARIMAN

Mr. Vijay Khanna, our esteemed Chairman is a visionary leader and the guiding force behind the school's enduring legacy and success. With decades of experience in leadership and education management, he has played a pivotal role in shaping the school's philosophy and ensuring its sustained growth and excellence. With a forward-thinking mindset and a deep commitment to the school's mission, Mr. Khanna continues to guide our school toward new heights of excellence.

Mr. Vijay Khanna

## BURSAR

All our teachers are trained and are early education specialists. They have undergone intensive training and are specialists in this field. Our teachers excel in class planning and execution, identifying individual learning patterns and catering to different learning levels in the same class. Our optimal student-teacher ratio allows closer interactions between students and teachers and simultaneously creates a lively intellectual environment.

Mr. Rahul Kanojiya

# Meet our Team

## PRINCIPAL

With an impressive career spanning 35 years in education and 17 plus as Principal of the Montessori School, Mrs. Shashi Gulati is a visionary leader dedicated to academic excellence and holistic development. Her innovative approach to curriculum design and her unwavering commitment to student success make her an invaluable pillar of our school. Her approachable demeanor and hands-on leadership style inspire students, teachers, and parents alike to strive for excellence. Beyond her professional commitments, she is also a frequent speaker at educational conferences and a mentor to aspiring school leaders, reflecting her dedication to advancing the field of education.

Mrs. Shashi Gulati

Mrs. Archana Mittal

## VICE-PRINCIPAL

Mrs. Archana Mittal is the driving force behind our academic programs and faculty development. Mrs. Mittal is known for her ability to foster collaboration and teamwork among faculty, creating a supportive environment that encourages creativity & professional growth. She is deeply involved in curriculum planning, integrating modern teaching methodologies, and ensuring that students not only excel academically but also develop critical thinking.

## ADMINISTRATOR

Mrs. Devki Panwar brings exceptional organizational skills and attention to detail to her role as Administrator. She ensures the smooth functioning of the school's operations, helping to maintain a supportive and efficient environment for students, parents, and staff. A strong advocate for sustainability and resource optimization, Mrs. Panwar has also spearheaded several initiatives to enhance the school's infrastructure and align it with modern educational needs. Her dedication, professionalism, and problem-solving abilities make her an indispensable part of our team leadership team at The Montessori School.

Mrs. Devki Panwar

# The Director's Message

Dear Students, Parents, Alumni,

Welcome to The Montessori School, a place where generations of young minds have been nurtured since its founding in 1943. With a strong foundation rooted in quality education, our school has grown and evolved over the decades, standing as a beacon of quality education and holistic development in the city of Dehradun.

We at Montessori firmly believe that education must adapt to the changing times while retaining its core values, and this principle has driven my role as director at our school. Since assuming leadership, I have worked tirelessly to ensure that our students have access to a well-rounded education that combines the conventional approach to teaching with modern resources and amenities. We strive to provide a nurturing and stimulating environment that respects the individuality of each child.

We have designed our classrooms and learning spaces to encourage critical thinking, allowing children to explore their interests within a structured and supportive setting. Beyond academics, we place great importance on cultivating values of empathy, respect, and community. Our school is dedicated to the holistic development of children, which includes emotional and social growth alongside intellectual achievement. The development of extracurricular programs has also been a priority in our school's growth. Today, our students have a range of options to explore their talents and interests, from art and music to sports and drama. Our aim is to provide a balanced educational experience that addresses both the cognitive and emotional needs of our students.

As we move forward, we remain committed to preparing our students to thrive in an increasingly complex and interconnected global society. Each day, I am reminded of the impact we have on shaping young minds, and I am inspired to continue our mission with renewed dedication. I invite you to explore our school and learn more about our programs, achievements and opportunities that await your child at The Montessori School. Thank you for being a part of our community and for entrusting us with the education and growth of your child.

## Our Values

We provide an inspiring and energizing environment that places the happiness of your child at its heart. A happy child is an engaged child; a child fully able to explore the stimulating world of knowledge and ideas.

Lifelong learning is at the core of our ethos. Each child is encouraged to make every day a positive learning experience as we work to develop and strengthen young minds whilst nurturing the creative power of nascent imagination.

## The School

The Montessori School is an educational legacy that dates back to 1943. It has been a cornerstone of quality education in and around Dehradun for over eight decades.

We offer a robust educational experience that combines traditional principles with essential twenty-first-century skills. With one of the best teacher-student ratio in Dehradun, our teachers are more than educators—they are mentors and guides who foster a supportive and stimulating environment for our students.

Over the years, we have worked hard to modernize our teaching methodologies and update classroom facilities to make learning more engaging and enjoyable.

Our school offers a balanced mix of academic, co-curricular, and extracurricular programs that cater to the holistic development of each student.

## Our Vision

We believe in blending textbook learning with values-based education. We aim to create a joyful and inspiring environment where children can realize their full potential and grow into capable, and responsible adults.

Our staff in partnership with parents, students, and the community, are dedicated to quality education that supports the academic, intellectual, personal, and social development of every child in a safe and disciplined setting.

*Expand your horizons and pave the way for the future!*

*We will take a **hand**,  
Open a **mind**,  
Touch a **heart** and  
Shape the **future***

# Why Us?

## A LEGACY OF EXCELLENCE

Over 80 years of trusted education, adapting to the evolving needs of students while maintaining core values.

## HOLISTIC DEVELOPMENT

Our programs go beyond academics, focusing on life skills, physical education, arts, and extracurricular activities to develop well-rounded individuals.

## TEACHER TRAINING

Our educators are mentors for our students and we leave no stone unturned to upgrade their skills through dedicated teacher training & development programs.

## BEST STUDENT TEACHER RATIO

We ensure personalized attention for every child, allowing teachers to understand and support each student's unique potential.

## SENSITIZATION & COUNSELLING SESSIONS

We take pride in conducting career counseling sessions and sensitization programs as a cornerstone of our holistic approach to education. These initiatives empower students with the clarity to pursue their aspirations and instill empathy, resilience, and awareness, shaping them into well-rounded and socially conscious individuals.

## STRONG PARENT-TEACHER PARTNERSHIP

We believe in open communication and collaboration with parents, ensuring that your child's education is a shared journey.

## STATE-OF-THE-ART FACILITIES

We are in the process of continuously updating our infrastructure from laboratories to classrooms fostering a 21st-century learning environment.

*Believe in yourself,  
Set high standards,  
You deserve the best,  
Never Settle for less.*

# The Curriculum

We understand that children of similar ages will demonstrate different levels of comprehension and expertise within the given subject areas. Small group instruction and personalized attention allow teachers to assess students as they work. We believe that each child rises to meet high expectations. Teachers encourage them to take intellectual risks, grow socially, expand their ideas and investigate central issues.

Our school, proudly affiliated with the Council for the Indian School Certificate Examinations (CISCE), New Delhi, offers a robust and dynamic curriculum that nurtures academic excellence while fostering holistic development. The curriculum is integrated & interdisciplinary in nature and due emphasis is given on its international aspect to help learners meet the appetite for foreign credentials and employment.

We include pedagogical strategies, group experiments / activities hands-on-learning to enhance the learning pattern and indulges in an interdisciplinary linkages and infusion of Life-skills with Values which plays an important role in a student's life.

We have assessment items for measuring attainment of learning which helps us to further plan academic teaching to get better results. It also includes feedback and remedial teaching plans. Our Curriculum places a great emphasis on experiential learning personal, social and emotional development and physical & creative development.

# The Curriculum

## PRIMARY SCHOOL (CLASSES I-V)

Our Primary Program offers a comfortable transition from the colorful world of Kindergarten to an exciting world of primary learning. In the primary years, we lay a strong foundation by emphasizing the development of core skills in literacy, numeracy, and critical thinking. The curriculum encourages curiosity and exploration through.

- **Languages:** English (primary medium) & Hindi
- **Mathematics:** Building fundamental concepts in arithmetic, geometry, and problem-solving
- **Science:** Hands-on learning experiences in environmental studies and basic principles.
- **Social Studies:** Introducing young learners to history, geography, and civics to foster a sense of community and global awareness.
- **Arts and Creativity:** Weekly sessions in arts, craft, & music to enhance creative expression.
- **Physical Education:** Activities promoting fitness, teamwork, and coordination

## MIDDLE SCHOOL (CLASSES VI-VIII)

The middle school curriculum aims to bridge foundational learning with advanced concepts, preparing students for more rigorous academic pursuits. It focuses on:

- **Languages:** Advanced proficiency in English, Hindi, & Sanskrit).
- **Mathematics:** Expanding on concepts like algebra, geometry, data handling, & logical reasoning.
- **Sciences:** Introduction to Physics, Chemistry, and Biology as distinct disciplines with an emphasis on practical applications.
- **Social Studies:** Detailed study of history, Indian Polity & geographical diversity.
- **Technology:** Computer science education with a focus on coding, digital literacy, and responsible use of technology.
- **Life Skills and Values:** Programs that instill empathy, resilience, and leadership.
- **Extra-Curricular Activities:** Clubs for arts, debate, drama, to encourage talents beyond academics

# The Curriculum

## HIGH SCHOOL (CLASSES IX-X)

The curriculum in Classes IX and X prepares students for the ICSE Board examinations. It emphasizes academic rigor while offering choices to align with students' interests and aspirations. Our permutation and combination offer students a varied yet aligned choice to help them make informed and right-minded decisions. Students are guided to select their streams based on aptitude and future goals.

### Compulsory subjects included are:

- English, Hindi, History Civis and geography

### Group B (Any Two Subjects)

- Mathematics
- Sciences (Physics, Chemistry, Biology)
- Commerce

### Group C (Any one Subject)

- Computer Applications
- Physical Education
- Economics Applications

## EXAMINATIONS AND EVALUATION

Continuous Comprehensive Evaluation (CCE) is followed with two exams (September and March) and two series of tests (July and December) to ensure consistent monitoring of students' academic and personal growth. Our assessment system is designed to reduce stress & encourages learning through projects, assignments, and practicals alongside written examinations.

Where the mind is **Without fear**

## SENIOR SCHOOL (CLASSES XI-XII)

At the ISC level, our school offers diverse streams catering to varied interests and career paths. Specialized coaching for competitive examinations is also available

### Medical Stream:

- Core subjects include English (Compulsory), Physics, Chemistry, Biology, and **1/2** optional subject:
  - Computer Science, Hindi or Mathematics.

### Non-Medical Science Stream

- Core subjects include English (Compulsory), Physics, Chemistry, Mathematics, and **1/2** optional subject:
  - Computer Science, Hindi or EVS

### Commerce

- Core subjects include English (Compulsory), Commerce, Accounts and Economics along with **1/2** optional subject:
  - Computer Science, Hindi, EVS or Mat

### Humanities

- Core Subject is English
- Students then have a choice to picky any 4/5 of the following subjects:
  - Economics
  - Mathematics
  - Applied Mathematics
  - Political Science
  - Computer Science
  - EVS
  - Hindi

# Activities

“All work and no play makes Jack a dull boy” goes the popular adage. We, at The Montessori School believe this is true. This is exactly why we have made it a point to incorporate extra-curricular and co-curricular activities into the daily schedule of our students. Whatever be the area of interest to your child, he/she will be met with support and admiration at TMS. In addition to this, we lay due emphasis on our children getting real world exposure and routinely take them to various inter-school competitions and events.

## READING CLUB DRAMA CLUB

## SPORTS & GAMES

## ARTS & CRAFT

## MUSIC & DANCE

# Activities

We at TMS take immense pride in the vibrant and engaging environment we create for our students. Through a thoughtful blend of cultural, creative, and sports activities, we nurture talent, encourage teamwork, and instill a sense of discipline and perseverance in our students.

## CULTURAL ACTIVITIES

Our school has a rich tradition of celebrating and showcasing cultural diversity. Through year-round cultural events, we provide students with a platform to explore their creative potential and appreciate the arts.

- **Annual Cultural Meet:** A grand event where students present their talents in music, dance, drama, and art. The meet is a culmination of weeks of preparation and fosters confidence and creativity among participants.
- **Festive Celebrations:** We honor cultural diversity by organizing events around major festivals, encouraging students to learn about and celebrate traditions from different regions and communities.

## SPORTS

Though our facilities are modest, our dedication to fostering a love for sports and physical activity is unwavering. Sports play an integral role in promoting teamwork, resilience, and a healthy lifestyle. Highlights of our sports program include

- **Annual Sports Week:** A much-anticipated event in the school calendar, Sports Week is dedicated to promoting healthy competition and participation. Activities include track and field events, table tennis, chess, kho-kho, and fun games for students of all age groups.
- **Intra-School Competitions:** Regular sports competitions within the school encourage camaraderie and fair play.

# Activities

## COMMUNITY ENGAGEMENT

We believe in molding responsible and compassionate citizens. Our activities focus on instilling a sense of social responsibility and leadership in students. Key initiatives include

- **Participation in City Events:** Our students actively take part in various cultural and academic events across Dehradun, such as inter-school debates, art exhibitions, and science fairs. This exposure helps them build confidence, network with peers from other schools, and gain valuable insights into broader community interactions.
- **Workshops and Seminars:** Collaborations with local organizations and experts enable our students to participate in workshops on diverse topics such as environmental conservation, digital literacy, and career counseling.

## THE SPIRIT OF TOGETHERNESS

Our activities are designed to bring the school community together, creating lasting memories for students, teachers, and parents. Whether it is cheering on classmates during Sports Week, working as a team on a cultural performance, or volunteering for a community initiative, every activity fosters a sense of belonging and pride. By actively participating in cultural and sports activities, our students learn life skills that prepare them to shine not just academically but as well-rounded, confident individuals ready to face the challenges of the future.

# Your Child's Future: VidyaPath

Vidyapath is our structured, school-led program that helps students discover their strengths early, make informed academic choices, and gain clarity on careers and university pathways. It runs from Class VIII to Class XII and blends counselling, guided planning, and real-world exposure so students are prepared for life beyond school.

## What Vidyapath aims to do

- Build self-awareness (interests, aptitude, learning style)
- Guide subject and stream decisions at the right time
- Create awareness of career disciplines and pathways
- Support families with university planning and admissions timelines
- Encourage practical exposure through internships and projects

## How it works (Stage-wise)

- **Class VIII (Subject Counselling):** Early guidance on subject strengths and improvement areas. Linking subjects to future options and building goal-setting habits
- **Classes IX–X (Exploration & Foundation):** Broad exposure to streams and career options. Skill-building for all pathways (communication, study strategy, time management)
- **Class XI (Career Discipline-wise Counselling):** Deep guidance aligned to the chosen stream Mapping subjects to careers, exams, and portfolio requirements
- **Class XII (University Counselling & Execution):** University shortlisting and application planning Support for SOPs/essays, resumes, interviews, and timelines

## Internship & Real-World Exposure

- Students are encouraged to undertake summer internships, supported by the school
- Internships help students understand real work environments and make more confident choices

# Infrastructure

Nestled in the heart of the city amidst a vibrant residential neighborhood, our school combines modern facilities with a rich legacy of quality education. We have meticulously designed our infrastructure to meet the evolving needs of our students, ensuring that every inch of our campus is utilized to its fullest potential.

Our campus is equipped with cutting-edge science laboratories for physics, chemistry, and biology, where students can engage in hands-on experiments to deepen their understanding of scientific concepts.

The state-of-the-art computer lab provides access to the latest technology, empowering students to develop essential digital skills. Two audio-visual rooms serve as dynamic learning spaces, offering an interactive environment for presentations, workshops, and multimedia lessons. Additionally, our two spacious exam halls are designed to provide a conducive atmosphere for academic assessments.

At the heart of our campus lies a large forecourt, a hub for school activities and gatherings, symbolizing our commitment to fostering a strong sense of community. Despite being situated in a densely populated residential area, we have worked tirelessly to optimize our facilities and provide an exceptional learning experience. Parents can be assured that we are dedicated to offering the best possible infrastructure to support the holistic development of every child.

## Smart Classes

At our school, we see technology as a **learning enabler**—not a distraction. Our Smart Classes are designed to make concepts clearer, lessons more engaging, and classroom time more effective, while keeping the teacher firmly at the centre of the learning process. Smart Classes at our school are ultimately about better teaching and deeper learning—where students gain clarity, confidence, and stronger conceptual foundations. When combined with strong subject teaching and regular practice, smart classrooms help students not only prepare for examinations, but also build the analytical and problem-solving skills that will serve them well beyond school

## Experiential Learning

At our school, we believe that real understanding happens when students don't just *read* science and mathematics—they **experience** it. That is why we run a structured experiential learning program for Grades 3 to 9 in collaboration with Discovery Science Learning. The program is built on a simple, powerful idea: "**Learning by Doing**"—where children explore concepts through activity, experimentation, and guided inquiry, so learning becomes deeper, more lasting, and more meaningful. Our Experiential Learning program strengthens academics by making learning active, joyful, and deeply conceptual—helping our students build the curiosity, confidence, and thinking skills they need not only for school, but for life.

# Facilities

Our school provides essential facilities that support student well-being, comfort, and everyday learning. The Infirmary is a dedicated, calm space where students receive prompt attention for minor injuries or health concerns during school hours. With clear safety protocols and timely parent communication, it ensures children are cared for responsibly whenever needed. The Canteen offers hygienic, student-friendly refreshments during designated breaks, supporting healthy routines and ensuring students remain energised through the day in a clean and disciplined environment

To make commuting easier for families, we provide a reliable Transportation Facility connecting nearby localities through a school bus and smaller vehicles such as a Tata Winger. All transport vehicles are GPS-enabled, strengthening safety oversight during transit. Routes are planned for smooth pick-up and drop, and where feasible, new routes or pick-up points can be organised to meet genuine parent requirements.

Our Library, modest yet well-equipped, holds around a thousand books including encyclopedias, fiction, science titles, and a wide range of subject reference material. It encourages independent reading, research, and learning beyond prescribed textbooks—helping students build curiosity, vocabulary, and the habit of thoughtful exploration.

# Parents' Testimonials

**Mr. Manoj Gulati**

The Montessori School is great. Teachers encourage participation gently and consistently. We've seen more initiative, better communication, and steady emotional and academic growth in our child over the years at The Montessori School.

**Mrs. Manju Chaudhary**

Learning goes beyond textbooks through meaningful excursions and outdoor visits that connect concepts to real life. In class, hands-on projects and smart learning tools keep lessons vivid. Our child returns curious, independent, and noticeably more mature.

**Mrs. Vandana Som**

This school prepares students for exams and beyond. The school helps students choose streams wisely and build strong fundamentals early. Teachers set clear goals, and encourage independent study habits.

**Mr. Pradeep Kumar Maurya**

Academics here are strengthened by the school's emphasis on perspective and responsibility. With a diverse classroom, children learn to collaborate, listen, and learn from peers—skills that directly improve group work, discussion, and confidence in class.

**Mrs. Monika Rana**

We chose this school for strong academics with discipline and values. Teachers track progress closely and communicate clearly. Discipline is firm yet kind, building responsibility.

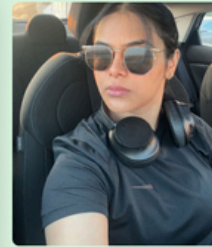

**Mrs. Parul Vasudev**

We've seen our child become more disciplined with study and sports, participate more in class, and take pride in academic contribution—not just co-curricular events.

# Alumni Speak

**I am Saksham Maurya**, an alumnus of The Montessori School, Dehradun, Class of 2025. From Playgroup to Class 12, my 15 years at The Montessori School shaped my entire identity. The nurturing environment, strong academic foundation, and unwavering guidance of my teachers played a crucial role in my growth. The foundation built here is the reason I achieved my dream of joining SRCC. I am deeply grateful to my teachers for their constant support and encouragement. This school is the bedrock of my success, and I am proud to be an alumnus of The Montessori School.

**I am Ritika Prajapati**, an alumna of The Montessori School, Dehradun, Class of 2018. The school provided me with a strong foundation in learning, discipline, and self-confidence, thanks to its dedicated teachers who always encouraged us to strive for excellence. The guidance and support I received here played a significant role in shaping my career path. I pursued Hotel & Restaurant Operations Management (Hospitality) from Durham College, Whitby, Ontario, Canada, and I currently work as a Claims Analyst at Medavie Blue Cross, a federal healthcare insurance company, in Dieppe, New Brunswick, Canada.

**I am Drishti Bhatt**, an alumna of The Montessori School, Dehradun, Class of 2013. Even after 13 years of passing out, my school holds a special place in my heart. It shaped my character, built my confidence, and imparted values that go beyond textbooks. I am grateful to my teachers for their guidance during my formative years. Since 2016, I have worked as a flight attendant with multiple airlines, and today, as an Inflight Supervisor with Air India, I proudly lead flights across states and countries.

**I am Nandita Baral**, an alumna of The Montessori School, Dehradun, Class of 2013. The Montessori School gave me a strong academic base and, more importantly, a nurturing environment where learning was taken seriously and every student was encouraged to grow with confidence. I remain deeply grateful to my teachers for their constant effort, patient guidance, and unwavering support—they not only taught us well, but also motivated us to aim higher and believe in our potential. I completed my B.Tech in Chemical Engineering from UPES, Dehradun, and currently work as a Consultant-II at Nova IRESC India Pvt. Ltd.

**I am Devansh Som**, an alumnus of The Montessori School, Dehradun, Class of 2019. The Montessori School played a vital role in shaping my academic foundation, creativity, and core values. The dedication of the teachers and the nurturing school environment helped instill in me the principle of "Humility in Greatness," which continues to guide my personal and professional life. I went on to study Mechanical Engineering at NIT Jalandhar and currently work as an Operations Manager at Amazon, guided by the values instilled at my school.

**I am Diya Bakshi**, an alumna of The Montessori School, Dehradun, Class of 2019. The Montessori School shaped my leadership, values, and life skills from Playgroup to Higher Secondary, providing a nurturing environment and guidance that helped me grow holistically. I also had the honor of serving as Head Girl, which further strengthened my confidence and sense of responsibility. These experiences continue to guide me as I work as an Associate with Effy Jewelry, New York, USA.

**I am Ashish Kandari**, an alumnus of The Montessori School, Dehradun, Class of 2019. The Montessori School laid a strong academic foundation and instilled values of discipline, dedication, and continuous learning. The supportive guidance of the teachers helped prepare me for higher education and professional challenges. I completed my B.Tech in Computer Science and Engineering from MAIT and currently work as a Software Engineer at an MNC, guided by the strong foundation built at TMS.

**I am Gaurika Dhingra**, an alumna of The Montessori School, Dehradun, Class of 2022. The Montessori School provided a strong foundation, instilled values, and built the confidence that continues to guide my personal and professional journey. I currently work as a Marketing Manager at Drishti Eye Institute, learning and growing with passion and dedication.

# Alumni Speak

**I am Bhavya Anand**, an alumnus of The Montessori School, Dehradun, Class of 2021. The Montessori School provided a strong academic foundation and a supportive learning environment that encouraged curiosity, discipline, and continuous growth. The guidance and dedication of the teachers helped shape my approach to learning and problem-solving. I pursued my higher studies at VIT Vellore and currently work as a Software Development Engineer at a Bangalore-based startup. The foundation laid at TMS continues to support my learning and growth.

**I am Aditya Narayan Tyagi**, an alumnus of The Montessori School, Dehradun, Class of 2019. The Montessori School provided a strong academic foundation and a nurturing environment that encouraged curiosity, discipline, and independent thinking. The guidance and dedication of the teachers played a key role in preparing me for higher education and professional challenges. I went on to pursue Electronics and Computer Engineering at Thapar Institute of Engineering and Technology and currently work at Bain & Company. The strong foundation laid at TMS continues to guide my professional journey.

**My name is Aviral Bahuguna**, an alumnus of The Montessori School, Dehradun, Class of 2013. The Montessori School played a defining role in shaping my values beyond formal education and built a strong value system that has supported me across different phases of life. The one-on-one mentorship and nurturing environment provided by the teachers and staff made my most crucial learning years truly meaningful. I completed my B.Tech in Mechanical Engineering from Vellore Institute of Technology and currently work as a Strategy Business Consultant with ZS in Pune, India.

**I am Aanchal Dhingra**, an alumna of The Montessori School, Dehradun, Class of 2018. My journey at The Montessori School laid a strong foundation for my personal and professional growth, nurturing independence, resilience, and a love for learning. The guidance and mentorship from teachers instilled confidence, core values, and a sense of responsibility that guide me in every aspect of life. The school's supportive environment shaped my academics and helped me develop leadership, empathy, and balance. Today, at Sage Publications, I take pride in managing my roles as a professional, wife, and mother with purpose and dedication—reflecting the life skills I gained at The Montessori School.

**I am Raj Rawat**, an alumnus of The Montessori School, Dehradun, Class of 2018. The Montessori School laid a strong foundation for my learning, discipline, and self-belief. The guidance of my teachers and the supportive school environment shaped my values and work ethic, which continue to guide me even today. After completing my schooling, I pursued Computer Science Engineering from NMIT, Bangalore, and currently work as a Software Engineer at Salesforce, Hyderabad. I remain deeply grateful to my school, teachers, and principal for the strong foundation and lifelong lessons they gave me.

**I am Bajrang**, an alumnus of The Montessori School, Dehradun, Class of 2021. The Montessori School provided a strong academic foundation and a culture of curiosity, discipline, and perseverance. The guidance and encouragement of the teachers played an important role in shaping my interest in science and research. After completing my Bachelor's and Master's in Biomedical Engineering from IIT (BHU), Varanasi, I am currently pursuing a PhD in cancer research, with the aim of contributing to the development of cancer vaccines for the future.

**I am Abhitesh Pundir**, a proud alumnus of The Montessori School, Dehradun, Class of 2019. The Montessori School played a vital role in building my academic foundation, discipline, and problem-solving skills. The consistent guidance and encouragement from the teachers created a strong base for higher education and professional growth. I completed my B.Tech in CSE (AI & ML) from Graphic Era University and currently work as a Software Engineer at an MNC, guided by the strong foundation laid at TMS.

**I am Harshit Gauri**, an alumnus of The Montessori School, Dehradun, Class of 2018. The Montessori School provided a strong foundation rooted in discipline, integrity, and academic excellence. The guidance and mentorship of the teachers during my years at TMS played an important role in shaping my professional outlook. I currently work as an Officer at Canara Bank, and the values and learning gained at TMS continue to guide my responsibilities and decision-making.
